The following information is provided to assist employees who have voluntarily resigned or retired from their employment with Albert Einstein College of Medicine. A resignation is a voluntary termination of employment initiated by the employee.

**Giving Notice of a Resignation/Retirement**

- If you elect to resign or retire from employment, we request that you provide at least two weeks advance notice of the intended separation date. We appreciate as much advance notice as possible. Please be mindful that vacation days or personal days (if applicable) may not be included in the notice period. Your notice of resignation or retirement must be provided to your supervisor in writing.

- The resignation letter is a formal notice to your department and Einstein, informing of your intent to end the employment relationship. The resignation letter must identify your last day of employment. Similarly, if you are retiring, you should provide the department with notice of your intent to retire, including your last day of employment.

**Exit Survey/Interview**

- In order to continue improving our work environment, we encourage you to participate in our Exit Survey. The survey will be emailed to you from the Employee Relations team. We are interested in your honest opinions both favorable and unfavorable.

- If you prefer to schedule an in person meeting or telephone call to discuss your responses to the survey, please contact the Employee Relations team so that a time can be arranged.

**Return of Einstein Property**

- You are responsible for returning all Einstein property to your supervisor, including identification card, keys, electronic equipment, etc., no later than your last day of employment.

- If you have a payroll deduction for parking, you must return access and authorization materials to the Security Office.

**Email & Voicemail**

- Check with your supervisor as to what type of voicemail message/out of office message should be set up on your phone and email so that people are aware of who to contact in your absence.

**Final Paycheck and Payments**

- Your final paycheck will be issued on the next regularly scheduled pay date following your separation from employment. Final payment and payout of unused vacation days (if applicable) will be issued as “paper” checks, therefore, please ensure we have your current postal address. You can update your address using [Self Service Banner](#) (on the Personal Information page choose ‘Update W2 Address’) prior to your last day of employment. You may also contact the Payroll Team to update your information.

- We suggest that you print/save to a personal device, copies of your past paychecks from the portal, prior to your last day of employment.
Sick Leave and Personal Days

- Any unused accrued sick leave and/or personal days, will not be paid upon separation from employment.
