November 2016

We are excited to announce an easier and more convenient way to have your prescriptions filled at the Montefiore Outpatient Pharmacy for delivery to the Einstein Campus. We have purchased a ScriptCenter; a pharmacist filled prescription kiosk that will be loaded on a daily basis with prescriptions that have been filled at Montefiore. It will also be stocked with wellness items that will be available for purchase. The ScriptCenter is located on the 1st floor of the Gruss Building/MMRC.

**Save Money… Fill Your Prescriptions at the Montefiore Outpatient Pharmacy**

In case you didn’t realize, if you are enrolled in the MontePrime EPO, MonteCare EPO, or MonteCare PPO, as part of your prescription drug benefits, you can have your prescriptions filled at the Montefiore Outpatient Pharmacy at a discount. It’s easy to take advantage of this by instructing your doctor to select the Montefiore Employee/OPD Pharm/Moses 3444 Kossuth Ave, Ground Floor, Bronx, NY 10467, when he or she is prescribing your medication.

All prescriptions filled at the Montefiore Pharmacy will be delivered to the ScriptCenter on a daily basis. Prescriptions requested before 11 a.m. Monday – Friday will be ready for pick-up at ScriptCenter after 2 p.m. the same day. *If you are already using the Montefiore Outpatient Pharmacy and are picking up your prescriptions at the Einstein Pharmacy, your prescriptions will now be delivered to the ScriptCenter. You must enroll in ScriptCenter to pick up your prescriptions. (Follow the instructions below to enroll).* (Only items requiring refrigeration will need to be picked up at the Einstein Pharmacy).

If you are not currently using the Montefiore Outpatient Pharmacy and want to take advantage of reduced prescription drug costs, as well as easy and convenient pick-up at the ScriptCenter, here’s what you need to do to get started!

**Enrolling in the Montefiore Outpatient Pharmacy Management System**

To begin, you must enroll in the Montefiore Outpatient Pharmacy Management System. To enroll in the Montefiore Outpatient Pharmacy Management system, go to www.montefiore.org/montefiorepharmacy and complete the **Pharmacy Registration Form**. Be sure to select your default delivery location as the Einstein COM (Einstein Pharmacy).

Once you are enrolled in the system, you can instruct your doctor to e-scribe your prescription to Montefiore’s electronic address: Montefiore Employee/OPD Pharm/Moses 3444 Kossuth Ave, Ground Floor, Bronx, NY 10467

**Enrolling at the ScriptCenter**

Once your prescriptions have been delivered to the ScriptCenter, you must be enrolled to pick-up them up. You can enroll in one of two ways:

- On-line at www.scriptcenter.com, or
- At the ScriptCenter kiosk located on the 1st floor of the Gruss Building/MRRC.
Email or text Notifications

Once you are enrolled in the Montefiore Outpatient Pharmacy Management System and ScriptCenter, you're all set. You will be notified when your prescription has been delivered to the ScriptCenter and is available for pick-up. The default notification is the email you entered when you enrolled at ScriptCenter. If you also want to receive text message notifications, you can add a cell phone number too. You can also invite your adult family members to enroll so you can pick up prescriptions for them.

If there is payment due, ScriptCenter is set up to accept a credit card or FSA card.
