

Yeshiva University
PROGRAM FOR JEWISH
GENETIC HEALTH

THE PROGRAM FOR JEWISH GENETIC HEALTH IS HERE TO HELP BY PROVIDING:

Global Jewish Community

- Educational talks for the community
- Webinar-based classes through our *GeneSights* Jewish Genetics Online Educational Series (GeneSights.com)
- Referrals and recommendations for individuals who live outside the New York metropolitan area
- An online Resource and Support center

New York Metro Area

- Genetic testing for common Ashkenazi Jewish diseases
- Genetic counseling for hereditary cancer syndromes and other inherited conditions
