

FACULTY DIVERSITY ACTION PLAN COMMITTEE

The enhancement of the diversity and inclusivity of Einstein faculty, leadership and students requires a focused effort and action plan. Einstein has established a committee of senior faculty, who along with the Dean, will establish a roadmap, suggest initiatives and provide oversight of the recruitment processes for faculty and students underrepresented in medicine and biomedical sciences. This committee would be advisory to the Dean and would report regularly to the Diversity Council.

The committee, will also be members of the Diversity Council, and includes:

Rhonda G. Acholonu, M.D.

Assistant Professor of Pediatrics
Vice Chair for Education, Department of Pediatrics
Co-Director, Leadership, Engagement & Diversity Program (L.E.A.D.)
Attending Physician, Division of Hospital Medicine
Email: racholon@montefiore.org
