Dear Class of 2019,

On behalf of the MD Student Council, welcome to the Einstein family!

The MD Student Council (MDSC) is comprised of elected members of the MD student body, and we are the MDSC Class Representatives of the Class of 2018. Until your class elects its own MDSC members later in the fall, it is our honor to serve as the Class Reps for the Class of 2019 as well. Class Reps act as liaisons between the student body and the administration, and also serve as the MD representatives on the Student Governing Board (SGB).

Perhaps our most rewarding MDSC responsibility is serving as Orientation leaders, and we have worked closely with the Office of Student Activities (headed by Joan Junger) to make the week both fun and helpful to prepare you for the start of classes on August 17. Everyone on the Orientation Committee is excited to meet you and to answer any questions during your transition into medical school life, so don’t be afraid to reach out for guidance. As a reminder, you can browse the Orientation Committee’s bios here.

Orientation week will be packed full of information, but it will also be packed full of fun. As you may have seen posted online in the Orientation Week At A Glance, the Office of Student Activities has planned a number of social activities, including Jazz and S’mores on Monday evening and the Circle Line Cruise on Thursday evening. Additionally, the Orientation Committee will host a party on Saturday night at the 79th Street Boat Basin in Manhattan.

We hope you are as excited about your Orientation week as we are, and we look forward to meeting and getting to know you soon!

Sincerely,
Paul Johnston, MSII
Katie Giarra, MSII
Class Representatives, Class of 2018
