

July 11, 2018

Dear Prospective Einstein Students,

We are sure this must be a very exciting time for you as you prepare to join us as a student at Albert Einstein College of Medicine. We welcome you wholeheartedly and look forward to getting to know each one of you very well over the coming years. We want to take this opportunity to introduce ourselves and let you know about plans for the upcoming Einstein Orientation.

Officially, Orientation begins on Monday August 13th and lasts for 5 days (Monday-Friday). The Sunday before Orientation begins, we have arranged a welcome program and campus tour. Your "[week at a glance](#)" is now on the [Orientation web site](#). Please review the material on this site carefully. There are forms to be filled out and returned, and policies to be reviewed and signed off on. There is a checklist complete with deadlines to assist you.

We wanted to remind you of the special date of Wednesday evening August 15th when we invite your family members and loved ones to join us at the "[On Becoming a Physician](#)" ceremony and reception. At this meaningful event, you will hear the class oath you create during Orientation, and formally be given your white coat. We look forward to hosting all of your guests, but due to space limitations, you will be given 2 tickets for the main auditorium. Additional guests are welcome for the evening and will not need tickets; but will view the ceremony on a live video feed.

Please remember to order your personalized white coats [here](#) so that they will be available for the ceremony.

While you have already received information from the Admissions Office, Student Finance and Health Office, there are additional departments who may contact you regarding upcoming Orientation. We suggest you check back on the [Orientation web site](#) daily, as information is constantly being updated.

There are some forms or secure pages that will require your Einstein Banner ID#. To locate your Banner ID# [please click here](#). You will need to enter your last name and social security number.

Should you have any questions regarding Orientation please feel free to call the Office of Student Activities at 718-430-2101.

We look forward to meeting you personally in a few weeks.

Sincerely,

Drs. Alison B. Ludwig, Mimoza Meholfi, Stephen G. Baum, Joshua D. Nosanchuk, Pablo A.

Joo,

The Offices of Student Affairs and Medical Education
