In response to many requests from faculty, we are offering a lecture series again this fall to provide instruction in the basics of clinical research. This series has been offered for the last 8 years to faculty, fellows and residents, and was very well received by the more than 500 attendees. The schedule, lecture titles, and lecturers are provided in this brochure.

Clinical Research 101: Fundamentals of Clinical Research Methods

2012

Course Director:
Paul R. Marantz, MD, MPH
Associate Dean for Clinical Research Education
Professor, Departments of Epidemiology & Population Health;
AUDIENCE: This course will be appropriate for attending physicians who seek instruction in the basic principles of clinical research methods. Such instruction may be sought to complement a mentored research experience, to help spur interest in and ability to conduct clinical research, or to enhance skills in critically reading the clinical research literature.

FORMAT: The course will be taught in lecture format, in the Ethel & Samuel J. Lefrak Auditorium located in the Michael F. Price Center for Genetic & Translational Medicine at the Albert Einstein College of Medicine. It will be offered on Tuesday evenings from 5:30 to 7 pm, from September 4 through December 4, 2012.

TUITION: For this 11 lecture series, the tuition charge will be $575. This will include handouts and refreshments.

OBJECTIVES: To be able to design a feasible clinical research study; to be able to analyze and interpret univariate statistical comparisons; to distinguish valid from invalid inferences in published clinical research.

SPECIAL NEEDS: Albert Einstein College of Medicine fully intends to comply with Americans with Disabilities Act. If any participant is in need of special assistance, please submit a written request at least two weeks prior to the activity to Connie Foglia at the Albert Einstein College of Medicine, Jack & Pearl Resnick Campus, Mazer Building, Room 504, 1300 Morris Park Avenue, Bronx, NY 10461.

ACCREDITATION: Albert Einstein College of Medicine designates this educational activity for a maximum of 16.5 AMA PRA Category 1 Credit(s)™ (11 lectures, 1.5 hours each). Physicians should only claim credit commensurate with the extent of their participation in the activity.

Albert Einstein College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint sponsorship of Albert Einstein College of Medicine.

FACULTY DISCLOSURE STATEMENT: The “Conflict of Interest Disclosure Policy” of Albert Einstein College of Medicine requires that faculty participating in any CME activity disclose to the audience any relationship(s) with a pharmaceutical or equipment company. Any presenter whose disclosed relationships prove to create a conflict of interest with regard to their contribution to the activity will not be permitted to present.

The Albert Einstein College of Medicine also requires that faculty participating in any CME activity disclose the audience when discussing any unlabeled or investigational use of any commercial product or device not yet approved for use in the United States.
