

The Office of Grant Support in Collaboration with Anatomy & Structural Biology Present:

**Certified Research Administrator (CRA)**

**Body of Knowledge**

**Review Session**

**Friday, September 13, 2019**

**9:00am - 5:00pm**

**Price Center Room 551**

**Improve Your Chances of  
Becoming a Certified  
Research Administrator**

## Review Session Description

This session is to familiarize you with the outline of information upon which the CRA certification offered by RACC is based. This review will help you identify in which areas you are weak and may need additional study. Please find details at:

<http://racc-cert.org/exam-review-sessions/>

## Why Should I Become Certified?

- *Professional development*
- *Personal satisfaction*
- *Indicator of expertise*
- *Advanced opportunities for employment*
- *Increased credibility with clients*
- *Serving as role model to peers*

**Open to all Einstein and Montefiore Research Administrators**

**Internal Registration: [cynthia.cardillo@einstein.yu.edu](mailto:cynthia.cardillo@einstein.yu.edu)**
